

### Millennial Thanks

Consider this a continuation of November's commentary, "Millennial Musings." My joy at editing this journal is made possible by a veritable army of colleagues, who selflessly and generously donate their time and talents. To each of the following ladies and gentlemen, who reviewed for *JCP* in 1999, I extend 2000 thank you's. And to all of the *Journal's* readership and your families, I wish a very healthy, happy, and prosperous New Year!
