Notice of Duplicate Publication

We have become aware that an article published in *The Primary Care Companion for CNS Disorders* (Niederhofer H, von Klitzing K. Bright light treatment as add-on therapy for depression in 28 adolescents: a randomized trial. *Prim Care Companion CNS Disord.* 2011;13(6):PCC.11m01194. <https://doi.org/10.4088/PCC.11m01194>) is nearly identical to and reports the same results as the article published in *International Journal of Psychiatry in Clinical Practice* (Niederhofer H, von Klitzing K. Bright light treatment as mono-therapy of non-seasonal depression for 28 adolescents. *Int J Psychiatry Clin Pract.* 2012;16(3):233–237. <https://doi.org/10.3109/13651501.2011.625123>). The article in *International Journal of Psychiatry in Clinical Practice* has been retracted.

Larry Culpepper, MD, MPH
