

FINANCIAL DISCLOSURE

In the spirit of full disclosure and in compliance with all ACCME Essential Areas and Policies, the faculty for this CME activity and CME Institute staff were asked to complete a statement regarding all relevant personal financial relationships between themselves or their spouse/partner and any commercial interest (i.e., a proprietary entity producing health care goods or services consumed by, or used on, patients) occurring within the 12 months prior to joining this activity. The CME Institute has resolved any conflicts of interest that were identified. No member of the CME Institute staff reported any relevant personal financial relationships.
